LIVE online German Learning

LIVE Online German Course is a convenient and effective method to learn German in a real-time video lesson. Our easy-to-navigate online platform (ZOOM) makes learning German online with a qualified and experienced teacher possible, wherever in the world you are. All you need is a computer or a smart phone with a camera and internet access.

Become part of the INNES community, not only to learn German, but to make sure to have regular interaction with others and share your story. Now, more than ever, our teachers are there to support and strengthen you. We've had amazing feedback from our online learners and we really look forward to welcome you on board, too.

Content | Method | Course Material

A typical LIVE Online Intensive German Language Course helps you to learn German in the following ways:

- you develop all five skills, including listening, reading, speaking, writing and interacting
- you expand your vocabulary

- you study and train your grammar
- you turn into a fluent and confident speaker of German

At INNES, quality and individual treatment matter. We work exclusively with qualified and passionate teachers trained for online teaching, first-class materials and dynamic and engaging methods so that you can learn German in a personalized way. All teachers are using communication-oriented and interactive methods that allow students to be constantly active and experiment with new language.

In your LIVE Online German Course you will learn German by using a coursebook and a variety of selected extra materials. For A1-B1 courses you work with the coursebook Menschen, and from B2 onwards with the coursebook Aspekte Neu.

If you are in Austria or Europe, you can order your coursebook directly at INNES during your online registration process for EUR 26, or you can buy it online later from any shop of your choice to be delivered to your home. We will send the book by the regular post, please consider that it takes few days to arrive. There are no additional delivery costs.
